PROFILE

I am a skilled and dedicated Computer Instructor with strong hands-on experience in Microsoft Excel, Word, PowerPoint, and Access. I have a solid understanding of Windows 10 and 11, including system configuration, troubleshooting, and user management. In addition to my teaching background, I am also a Front-End Web Developer with practical knowledge of HTML, CSS, and basic JavaScript, focused on creating responsive and user-friendly websites. I am passionate about teaching, technology, and simplifying complex concepts to help learners and users achieve their g

EDUCATION

School degree | 2011 – 2023
School

I graduated in 1402 (2023) from Charbagh High School, located in Qarghayi District, Laghman Province.

University Degree | 2024
University

In the year 1402 (2023), I passed the Kankor exam and was admitted to the Faculty of Computer Science at Kunduz University. I completed one semester there, then transferred to a private university in Kabul called Jahan University, where I am currently a third-year student.
